Working time: 1 hour 30 Minutes

Crafting these wooden floats is great fun and a great activity for a creative craft afternoon for young and old. A great summer decoration!

How to make the floats:

The **wooden floats** can be made in different sizes as desired. Simply shorten the **round sticks** to any length and glue them into the **wooden discs**.

Paint the **wooden eggs**, **wooden balls** and **wooden rings** as you like. You can let your creativity run wild here. Should it be a blue bikini with dots or a swimming costume with ruffles? Just paint what you like.

After drying, glue all the pieces together and fix them to the round bars.
