# Deko-Schale im Vintage-Stil

**Instructions No. 891**

This decorative bowl in a beautiful vintage style is perfect for a great table decoration. It can be decorated in a variety of ways and can be wonderfully complemented with your own ideas.

**And it's that simple:**

First, prime the bowl with the painting sponge in white and then leave it to dry. Once the bowl is dry, go over the entire bowl with the gray paint. Then choose motifs from the Décopacht papers. Use the napkins-brush to apply the patch adhesive to the desired areas of the bowl. Then stick the motifs on and paint them on. Next, cut out the braid from the lace paper and stick them onto the bowl using the patch adhesive. Once everything is dry, seal the entire bowl with the aquapro-clear varnish.
