Felt fir tree

Instructions No. 1651

Difficulty: Beginner

Working time: 30 Minutes

With only little effort, you will be able to make a christmassy felt fir tree - also ideal for the Crafting with children.

Easy crafting fun for big and small

Transfer the motif template twice to Felt and cut the fir trees to size. The Creative set fir tree large also contains yellow Felt. You can use this to cut a yellow star tip.

Paint the felt trees with white decorative snow. Glue all the felt pieces together to form a fir tree so that a felt cover is created. Put the **wooden stand** together (fix the joint with glue) and pull the felt tree over the stand.
