**creative Christmas decorations: design dividers with napkin technique**

Christmas is just around the corner, and what better way to brighten up your home than with homemade decorations?

With these simple instructions, I'll show you how to use the **napkin technique** beautiful **dividers** for your festive decorations. This technique is not only only child's play, but also allows you to create unique and personal accents that are sure to turn heads.

## Christmas separating discs with napkin technique

### Preparing the cutting discs

Start by applying a thin layer of napkin varnish to the cut-off wheels. The napkin varnish acts as an adhesive and ensures that the napkin adheres well later on. Make sure to apply an even layer so that the napkin motif can be glued on later without creases.

### Prepare the napkin motif

Select a quarter motif from napkin that you particularly like. Carefully cut out the desired motif. At napkin technique , only the top printed layer of napkin is used. This layer is very thin and must be handled with care.

### Positioning the motif

Carefully place the printed paper layer of the cut-out napkin on the prepared cutting disk. To fix the motif in place, apply another thin coat of napkin varnish.

carefully so that the motif does not slip or tear. Then allow the paint to dry completely.

**remove excess napkin paper**

Once the napkin varnish has dried, cut off the excess edges of the napkin . This ensures a clean finish and gives your separating disk a professional look.

**Transfer the lettering from the template**

Print out the template and place it under the cutting blade. Use a Posca marker to trace the messages " COZY Winter or winter wonderland through the cutting blade. The marker pens from POSCA are ideal for creating detailed and precise lines**.**

**ribbon thread**

Cut a suitable ribbon and thread it through the hole in the cutting disk. If the ribbon does not fit easily through the hole, you can use a needle to help. The ribbon will later be used to hang up your cutting disk.

**Add decoration**

Finally, you can add additional decorative elements such as small fir trees and berries to your artwork. Tie these to the ribbon, to give your cutting disc a festive and unique touch.

And voilà! Your self-designed cutting disc is finished and ready to make your home shine in Christmas splendor. By using napkin technique , you have created an individual and beautiful decorative element. If you are still looking for helpful tools or alternative craft materials, take a look at our online store and discover our extensive range of napkins, napkin varnish and other accessories. Let your creativity run wild and design your own unique Christmas decorations!
