Instructions No. 2937

Difficulty: Beginner

Working time: 2 Hours

Why not welcome the New Year with a touch of creativity? Craft a charming little gift from matchboxes as packaging for tea light candles to start the New Year with loving gestures.

First, use the magnetic punch to punch out "shamrocks", which will serve as confetti. Then start cutting out the folded leaves. Then attach them around and into the matchboxes using handicraft glue .

Cut delicate strips for the tags, stamp them with loving messages and place them around the tealights.

The gift tags can also be decorated with stamps. If you wish, you can decorate them with the stamped shamrocks.

Arrange the candles in the matchboxes and sprinkle them generously with "shamrock confetti". Finally, wrap the matchbox with a ribbon and tie the gift tag to it.
