Advent, Advent. **Advent Calendar** sweeten the Advent. Not only children, but also adults are happy if you can open a door every day until Christmas Eve. Our more beautiful Advent Calendar ring-pull **tins** can easily be designed with different papers - whether modern, childlike, opulent - there are no limits to your creativity and expression. It can be filled with sweets, beautiful messages and gifts.

This is how you design the cans:

Take some **papers** and cut 24 strips measuring 21 cm long x 4 cm wide. Provide the **ring-pull tins** with double-sided Adhesive tape and put the papers around them. Now punch out circles with the **motif hole puncher** and stick **Advent numbers**. Stick them to the cans with double-sided Adhesive tape adhesive as well. Draw the circles with Handicraft glue and sprinkle this area with glitter. After drying you can fill and close the cans

Tip: Use the Sizzix **Funnel Tray as a** base for sprinkling the glitter. Any remaining material can easily be collected and refilled. The distribution can be closed with a screw cap.
