Instructions No. 245

**This funny trio takes good care of the hidden Easter eggs ones.** The three journeymen are made of colorful Felt handicrafts and will surely be a long time after Easter. With the help of the instructions this is also a good idea for the .

## And so it goes

Felt Transfer and cut out the individual parts of the template from sheet. Except the border for the buckets and the muzzle of the rabbit, all parts are needed 2 x. Draw the eyes freehand.

Turn the buckets over and fix the wooden ring on the bottom with hot glue. Tape-Ribbon the cut-to-size Felt one around the buckets, fix the excess material over the wooden ring with hot-melt adhesive. Felt the contours on the rabbit's paws and ears with very little fairy tale wool.

## Tip

Use very only little fairy tale wool for fine contours and turn the skein around itself. You can also fix Pins the outline with and only then felt it on, so it won't slip easily.

Glue all parts together with wood glue and put a spring under the wings. Felt the feathers Polystyrene balls with fairy tale wool. This is especially quick and easy with the practical 5-piece needle. Glue two beak halves together at the corners with wood glue so that it is open at the front and back. Glue the two parts of the from comb together, leaving the lower edges slightly free.

When dry, apply wood glue to the edges and glue them on. Glue on the eyes and the muzzle of the rabbit and felt immediately before the wood glue is dry. Glue a feather on the head of the chick, on the rabbit, fix the wire whiskers with a little glue.

For rabbit and chick, cut fabric triangles with the prong scissors, fold them into folds and glue them over the wooden ring with hot glue. Now glue the heads with hot glue. For the neckerchief of the chicken cut 35 x 6 cm fabric, fold 2 x lengthwise to the middle and knot around the neck, then cut to length. Cover the zinc tray with fabric, felt the eggs and decorate them with Straw them

Claudia's extra tip:

Until the wings with the sticking firmly Feathers on the Felt one, I tie a drum Ribbon . Ears and beaks I fix with until Pins, the wood glue is firm.
