Anleitung: Setzkasten aus Dekoschalen und Stoff

Instructions No. 1295

The **instructions** show how a unique **wall decoration** set can be created from simple **decorative bowls with fabric** , lace and tea light glasses.

Here's how it's done

First of all the decorative bowls are **primed** with **white Hobby Colour glaze** (**not** covering)

Each **tray and bowl base** is now covered with a different Decoration fabric . Cut out the corresponding fabric exactly and glue it into the bowls and tray with **double-sided Adhesive tape**. Tea light glasses and tray can now be **decorated** further with **Lace ribbon, Ribbon and wooden buttons**. It is also a good idea to fix these accessories with double-sided Adhesive tape . The decorative bowls are finally arranged in the tray, on the back side also with Adhesive tape pressed to the tray

The finished "setting box" can be decorated on the wall with tea light glasses or other decorative accessories.

This idea is timelessly beautiful!
