

Anleitung: Tannenbaum aus Holz

Instructions No. 743

Acrylic balls and Christmas tree can be turned into a great decoration for the living room

Color paint white. Sprinkle some glitter on the still wet paint in a pattern as a guide.

Apply the glitter paste with a Spatula. Add decorative snow here with the Spatula.

Use a pencil brush over the decorative snow, then your balls will look like

the ball and apply the Hobby Color color in brown on it. The result is perfect for this. It's a great paint.

Place it flat on the table. Arrange your balls and fix them with a dot of glue outside of the tree. If you place the tree in such a way that the balls are on both sides.

Repeat in the same way and hang them in the window next to the tree for decoration.
