

Arrange autumn scene on tray

Instructions No. 3450

Difficulty: Beginner 

Working time: 1 hour

Let this simple idea inspire you to create beautiful autumn decorations that will not only warm your heart but also delight your guests. All you need are wooden decorations, colours, a bit of nature and a lot of fun.

1. **paint mushrooms:** Start by painting wooden mushrooms in autumnal colours. Use warm colours such as red, orange and brown. Make sure to apply the colours evenly and add small dots or patterns to the painted mushrooms.

2 **Arrange the decoration on the tray:** Once the mushrooms are dry, place them on a nice tray. Now you can start creating your autumn scene. Use moss, dried autumn leaves and small mini cones for a natural and lively autumn look.

3. **add atmospheric lights:** Candle lights are a must for a cosy atmosphere. Place small tea lights in terracotta pots and also place them on the tray. Use the paper tea lights from our range for this. These are particularly environmentally friendly. The warm and inviting lights of the tea lights add the finishing touch to your decoration and create an atmospheric and inviting environment.

Now it's up to you to transform your home into an autumnal paradise with a home-made decoration. Browse our online shop and order the materials you need to get started on your project straight away!
