

Autumn wreath with crepe paper

Instructions No. 3081

Difficulty: Beginner 

Working time: 6 Hours

This beautiful **autumn wreath** consists of a polystyrene ring decorated with leaves made from **crêpe paper** and wooden tags. Our template for the leaves is easy to transfer and the leaves beautifully adorn the wreaths in this idea.

Transfer the templates for the leaves onto the crêpe paper and cut them out. Glue them to the polystyrene rings with only the bottom edge using handicraft glue and line up the leaves close together to create a three-

dimensional look.

This gives the wreaths a nice three-dimensional look.

Colour the wooden decoration pendants to your liking and glue them to the wreaths. The wall plate holders are ideal for loops. Glue them to the back of the wreaths with a little hot glue.
