## Autumn wreath with dried flowers

**Instructions No. 2330** 

Difficulty: Beginner

Working time: 1 hour

Make this impressive and natural wreath with dried flowers and a lantern in just one hour. The wreath makes a wonderful autumn decoration for the table.

## It's that simple:

- 1. Shorten the dried flowers and the eucalyptus with scissors and insert them into the wreath.
- 2. Attach double-sided tape to the top of the lantern jar and attach the fringe to it.
- 3. Place the candle in the lantern jar and arrange the wreath together with the lantern jar on the table. Article information:
