Colorize the Monstera sheets from the [Paper stampings and](#) choose your desired motifs from the card set , [such as](#) flamingos and hearts

Now glue the leaves, the pennant chain [and](#) your chosen motifs using **Glue pads** on the map.

Write on the card. In our example, we used a black [Marker](#) written on the card in the [handlettering technique](#) "Invitation to school".

Souvenirs for the schoolchild

Cut a card slightly smaller than the size of the bag and stick it onto the bag

Then you can decorate the bag with the pennant chain , with motifs from the card set and with Washi tape

Then write "For you" on the bag with a beautiful handwriting or in the handlettering technique. Of course you can also write the name of the school child or a personal saying on the bag.
