The small, simple clay pot gnomes are not only cute, but can also be made in a very short time. All you need are clay pots, Christmas hats, filler wool, wooden balls and some craft glue.

The craft idea is wonderfully suitable for an afternoon of crafting together with children.

Make a clay pot gnome

1. First place the clay pot on the table with the large opening facing downwards.
2. Put a Christmas hat over the clay pot.
3. Take some cotton wool, pull it apart and attach it to the clay pot with craft glue.
4. Attach the wooden ball to the beard with a little craft glue too.
5. Shape the hat as you like. If necessary, fix the spots with craft glue.
6. Finally, let the glue dry completely.
