

Colourful Pop Art Vases

Instructions No. 925

🔪🔪🔪 Difficulty: Beginner

🕒 Working time: 15 Minutes

These colorful glass bottles were decorated in a cheerful pop art style. Make it easy on yourself by using the practical edding sprays. Choose from a wide range of colours and create your vases in wonderful colour combinations.

And it's as easy as that:

It's best to use the Permanent Spray from edding outdoors on a generously sized surface.

Make sure that the bottles are clean and free of grease

Now spray the bottles evenly with the colour of your choice at a distance.

Finally, decorate the flowers in your new vases in Pop Art style.

Tip: You can transform these vases wonderfully by adding accents with ribbons, buttons, beads or stencils.
