Colourful table decoration

Instructions No. 2151

Difficulty: Beginner

Working time: 5 Hours

This table decoration is guaranteed to put you in a good mood in the morning. The white tableware with brightly coloured spots and the self-sewn table runner bring colour and fun to the breakfast table.

Sew table runners and napkins:

For two table runners, cut 50 cm each to the full fabric width (147 cm). Per napkin 45 x 45 cm.

Bind the napkins all around with bias tape.

Fold the short sides of the table runner twice, press and topstitch. Border the long sides with the bias tape as well.

Decorate the tableware:

To add a splash of colour to the table, you can easily paint white porcelain with porcelain paints. It is important not to paint drinking and cutting surfaces, as the colours are not food-safe.

The painted dishes are baked in the oven according to the package instructions. The paint is then dishwasher safe.

This colourful serving tray with jam jars adds more cheer to the table.
