

Country Style Wreath with Decorative Butterflies

Instructions No. 980

Light Pastel - sounds, noble country house - style, this wreath comes along. Decorate it just as you like. Whether as a door decoration, on the coffee table or the sideboard, you are guaranteed to enjoy this eye-catcher over and over again. For a particularly harmonious arrangement you will find the right candle design under instruction979.

And so simply it goes

Priming the butterflies in white and paint on after drying with grey color shades. Lay all three jute ribbons on top of each other, tie them around the wreath and fix them. Paint the free spaces in between white and let it dry well. Make a loop from the jute ribbons, fix it with wire and tie it into the wreath. Place the butterflies, stick them on the wreath, cut an allium and stick the umbel on as well. Separate the remaining flowers and fix them decoratively.
