

# Dried flowers decoration for the wedding

Instructions No. 2462

Difficulty: Advanced

Working time: 2 Hours

Natural & beautiful: **flowers** are the most beautiful decorative elements and accessories for the big day! In our instructions, we show you how to make the **bride's hairstyle** special with a flower crown. Match it with a **lapel bouquet** for the groom. Ideas for the decoration of the wedding ceremony or in the church as well as thank you cards, menu cards and greeting cards are also presented here.
