

Easter-style plotting on glass bottles

Instructions No. 3204

Difficulty: Beginner

Working time: 2 Hours

Easter is the perfect time to embellish your home with creative and personalised decorations. In this tutorial, I'll show you how to decorate **glass bottles with Easter motifs** and create a unique eye-catcher for your Easter table arrangement. With modern **plotter technology** and a little skill, you can easily create your own decorations. Let's go through this crafting process together step by step and find out how to design the Easter motifs with your plotter and conjure them up on the bottles.

tape the bottles with masking tape to create clean edges. Use a stippling brush to dab on the craft paint. To speed up the process, you can dry the paint with a hairdryer. Then carefully remove the masking tape.

Apply the motifs

Now apply the plotted motifs to the dried bottles. Position them as desired on the bottle to create a harmonious look.

Add additional decoration

Stamping tags and attaching ears

Stamp the tags as you wish. Transfer the stencil for the ears to cardboard, cut them out and glue them together. Attach the finished ears to the back of the tags.

Tie the cord and bow

Measure about 80 cm of cord per bottle. Tie the cord to the tag and attach it to the back of the bottle. Bring the ends to the front and tie a decorative bow. Tie a knot at the ends and curl the hanging piece for a playful finish.

And voilà, you now have a beautiful, self-designed, Easter glass bottle! This DIY project is not only fun for creative minds, but also a wonderful way to add a personal touch to your Easter decorations. For all the materials you need, visit our online shop and be inspired by our extensive range. Start your creative adventure today and bring Easter joy into your home!
