Difficulty: Advanced

Working time: 4 Hours

With just a few simple steps, you can quickly create a unique Easter wreath with lots of great details. A real eye-catcher that will make your home shine in Easter splendor.

1. Painting for the joy of spring:

First the VBS Wooden hanger "Happy Easter" and the ears of the VBS Bunny's ears in the wire basket with the bright VBS Craft paints. Once dry, give the edges and contours a shaded depth by dabbing several times into the ink pads with a dry, hard bristle brushes and then carefully stroking along the contours. Also color in the eyes of the figures with stamping ink. Artfully draw the pupils and the lines of the lettering with a fine white Posca marker. For additional protection, coat the wooden figures with acrylic varnish after drying VBS Acrylic varnish.

2. Creative basket design:

Line the inside of the metal basket with lush green sheet moss. Cut the flower arrangement foam to size and fill the basket with it. Trim the ranunculus and pussy willows with a side cutter and insert them artfully into the basket. A few light feathers between the flowers provide additional lightness. Finally, secure the bow with a little hot glue.

3. Beautiful moss wreath with eye-catcher:

Place the artistically designed VBS Wooden hanger onto the moss wreath. Bend the wire backwards and attach it to the back with a little hot glue. Once dry, turn the wreath to the front. Cut some ranunculus and willow catkins short and stick them into the moss wreath with some feathers in between. Attach a ribbon for hanging.

With these lovely details, your springtime wooden hanging will be a real eye-catcher and conjure up a festive atmosphere in your home. Have fun crafting!
