Embroidered Cork Tray + Embroidered Cork Keychain

Instructions No. 1328

Difficulty: Beginner

Cork is a natural and noble **trendy material** that can be used in many different ways in the handicraft sector. Whether an **embroidered cork tray** or a **chic cork key ring - the** wow-effect **is** guaranteed! We show you in these instructions how you can easily recreate the fashionable **decorative accessories**.

And it's that easy:

Cork tray

First cut the **Cork fabric** towards the inner dimensions of the tray. Now place the **template** on the fabric and mark the **stitch holes of the** cross stitches **on** the cork. The best way to do this is to use a **Pin**

Then embroider the **Cork fabric** according to the **template** just applied with the **Embroidery twist** Of your choice.

Next, glue the embroidered Cork fabric**to** the **tray bottom** using the cork glue. To add more colourful accents, you can **add** matching colour to the **tray handles**, **Embroidery twist** wrap.

Keychain

First, cut **two Cork fabric-sections**, a **cork circle** and a corresponding **Felt octagon** according to the templates **for the** key rings

Now take the cork **circle** and mark the **stitch holes** for the cross stitches **.** Next **you** embroider this with the **Embroidery twist** Of your choice.

With the **Felt sheet** do the same

Now glue the **felt section** in the middle of the **embroidered cork pendant.** Then glue the two larger cork sections together **with the backsides** and the cork circle on the front side

After the glue has dried, **punch a hole** in the pendant and pull the **key ring** through it - done!
