Instructions No. 1422

Difficulty: Beginner

Working time: 15 Minutes

A lovingly self-designed **festive table decoration** gives your family celebration that certain something. The **lanterns** and the **table arrangement on** the **tree disc** can be quickly made by yourself with only little time and effort.

Festive lantern glass

Tie two **threads with** a knot to the top edge of the glass. Above them, tie a white Satin ribbon into a loop

Now glue a white ranunculus onto the knots with hot glue, and small tender florets **onto the** individual threads **.**

Table arrangement on tree disc

Cover the tealights with double-sided Adhesive tape with a decorative **ribbon**: a festive ribbon and classic white Satin ribbon. Natural-coloured Yarn harmonise perfectly with it. Wrap the lower part with string, Adhesive tape also helps to fix it in place

Place a LED tea light in each glass. Arrange the tea light glasses with ranunculus, moss stones and wild berry flowers on the tree disc. Fix everything with hot glue. Small Embellishment "hearts" complete the decoration.
