For jewelry lovers, these beautiful bracelets are just perfect. Discover here how easy as pie to make these bracelets and get inspired by our designs.

Pearl bracelet

Beaded bracelet: First, use a bead stringing needle to string the beads onto the beading yarn. Then slide a crimp bead and a magnetic clasp onto each end. Now push the ends back into the last 3 or so beads and the crimp bead, which is now pressed together with pliers. Now simply cut the too long ends of the bracelet with scissors and the beaded bracelet is ready.

embroidery twist-bracelet

Embroidery twist bracelet:First, braid or knot the embroidery twist. Now string a cube bead and a magnetic clasp onto the two ends. Now thread the ends from the stitch twist back into the metal bead. Then cut off the ends that are too long again and fix them with some craft glue.
