Difficulty: Beginner

Working time: 45 Minutes

Christmas means cuddling time - our **fluffy decorations** fit perfectly. Make your home cosy and fluffy. Our **star light** creates a wonderful atmosphere and our reindeer **have** been given a cuddly fur by flock powder.

This is how the star is made:

First remove the suspension belt from the star. Tape the star from one side with double-sided Adhesive tape. pull off the protective foil and wrap the star with the wool

Then wrap the light chain around the star. Pull in Satin ribbon through the hole in the star and knot it. Wrap it Ribbon around the cable up to the battery compartment and knot a loop at the top.

The reindeer are tinkered as follows:

First, prime the reindeer with handicraft paints**.** When dry, paint a reindeer with **Handicraft glue**. Hold the reindeer over the Sizzix Funnel Tray while sprinkling the flock powder **on top**. This way you can put the excess flock powder back into the can later. When dry, brush the antlers with Handicraft glue it and sprinkle it with **glitter**

Repeat the process with the second reindeer.
