Füller und Kugelschreiber im FIMO-Design

Instructions No. 299

FIMO® is very easy to use and is certainly the world's most famous oven-hardening writing instrument. The Modelling clay. extensive range has now been expanded exclusively in the form of high-quality writing instruments. Fountain pens and ballpoint pens can be disassembled and are ideally FIMOsuited for the design with ®. Thus handmade unique pieces with a very personal touch are created - a unique gift idea.
