

Gift giving with Rudi Reindeer

Instructions No. 444

Difficulty: Beginner 

Working time: 20 Minutes

Hello Rudi, the reindeer has brought his friends! In the bags with the reindeer faces you can wrap your Christmas presents. Nobody else has such great presents for sure!

Instruction

First you take Stencil and make the boxes you want to put your presents in from the dark brown Craft cardboard sheet . The instructions for Stencil tell you exactly how to do this. Mom will certainly help you if you ask her.

Now you transfer the template for the faces to the light brown Coloured paper. Cut them out and stick them onto the boxes with the Wobbly eyes

For the antlers you need two chenille wires, which you have to twist together. Then cut the ends at different lengths, put golden bells over them and tie little bows on them

To close the boxes with your gift you have to pierce a hole with scissors at the opening. Bend the antlers in the middle, put the Chenille wire from the front through the hole and bend it at the back.
