Glass bottles in the trendy nostalgic look

Instructions No. 982

This bottle set in different shapes is perfect for oils or liqueurs. Decoratively packed in a trendy nostalgic look, they beautify every kitchen and every table. As a small present or as a guest gift you can create a very personal, loving present.

And it is as simple as this:

Glue the Jute-Ribbon to the bottle with hot glue and wrap it up tightly together. Attach the tip on or over the Jute-Cord. To do this, place the tape-Ribbon on the Cord and then the tip on top of it. If you decorate the bottles differently, you get a nice picture. To apply the Motif straw silk , use the Napkin varnish. First cut out the area roughly, stick it on the bottle and remove the excess later. Transitions can be easily concealed with the decoration materials. To create the label tags, you need the small cards from the set. Cut out Craft cardboard sheet , stick the Motif straw silk with the desired motif on the cardboard and this with the tape-Ribbon on the labels. Now attach and decorate.
