On the colourful decorative plate with the circle of bunny friends, the eggs are arranged particularly beautifully at Easter breakfast. The colourful flower napkin and the fresh checked ribbon turn it into a cheerful Easter decoration.

And it's that easy:

Remove the two blank layers of Napkin . The printed paper layer of the Napkin is glued on only . Stick with Napkin varnish a complete napkin motive flatly on the wood ring of the tea light holder. Cut off the inner circle and overhanging Paper of Napkin after drying with a scalpel.
The bottom of the wooden ring is painted red, the edge of the ring and the bottom tray is glued with check ribbon using double-sided Adhesive tape.

Fix - also with double-sided Adhesive tape - ruffle tape around the tea light glasses, then fix them with hot glue on the ring. Decorate the gaps with small grass tufts.

The wooden plate becomes moss green, round stick and ball are painted may green. After this paint has dried, wipe the surfaces with a sponge of light green paint.

The rabbits are painted with a mixture of colors from Brown and Orange painted, the base plates are moss green. With red Satin ribbon around the neck, a "skirt from Decorative ribbons" the rabbits are positioned and fixed on the wooden plate. Finally, arrange Iceland moss, flowers, colourfully painted eggs and wooden flowers on the decorative plate according to your personal taste, glue them on with hot glue.

Extra tip:
The best way to glue a large napkin motif without wrinkles is to spray the surface with an adhesive spray first. The napkin motif can be carefully pulled on and, if necessary, loosened again and reapplied.
