Difficulty: Beginner

Working time: 45 Minutes

Who does not love beautiful Christmas **decorations and** cute deer? Our decoration and craft idea combines both! Make **fluffy stags** with our instructions, which can be used as a **pendant** or **Standing figures** cut a good figure. This handicraft work is also easy for children to do.

Simply great Decoration pendant and Standing figures tinker:

Wrap the **bark slices** with the desired fur strips **and staple** them tight. Now fix the **deer heads with** hot glue. If you want to hang up the stags, use a needle to pull in the stags **Organza ribbon** through the fur band.

Place two **pompon branches** in a vase and hang the deer pendants decoratively on the branches. A beautiful pastel Christmas decoration is ready

For the standing stags, drill two holes in the bark discs and stick bamboo skewers in as legs. You can then shorten them as desired. Now glue the deer to the skewers with hot glue.
