

Hotfoil Teelicht-Trio

Instructions No. 1686

Difficulty: Advanced 🍴🍴🍴🍴

Working time: 20 Minutes

The simplest craft ideas are often the most beautiful.. In a short time with only little effort you can turn simple Terracotta pots into small tea lights in a trendy hotfoil **design**.

Paint - label - finished!

For the outer walls of the Terracotta-pots use different coloured, harmonising Metallic-Colours. With the highly opaque paint [Viva Decor Inka Silk](#), for example, you can achieve an excellent painting result.

The interior walls are painted in Silver or in Platinum . Label the pots with a personal message. We recommend that you test your **handwriting** on a sheet of paper Paper beforehand. This will give you the practice and confidence for a perfect look. Simply place LED tea lights in the pots - and the new stylish light source is ready.

Must Have
