Instructions for a music mobilé

Instructions No. 1339

Difficulty: Beginner

Working time: 1 hour

Your little ones will love this **music mobile made of printed Felt**. With little effort, with the motif template and the instructions you can sew the pretty children's room decoration yourself and even integrate a music clock

It's that simple:

For the Mobilé you need only printed Felt, adhesive fleece, volume fleece, filling wadding, a music clock, Wobbly eyes, Satin ribbon, sewing thread and of course scissors and the sewing machine

Simply print out the motif templates, cut out the motifs and cut them out as Pattern with approx. 0.5 cm seam allowance. Fix the small stars and the nose with adhesive fleece on the moon and cloud with the iron.

The two moon and both cloud felt cuts get a first padding by volume fleece. This can be easily fixed with iron-on fleece. Now simply place the corresponding blanks on top of each other, position the music box movement, staple everything together with Pins and fill with cotton wool

Moon and cloud are sewn together. A sewed Satin ribbon holds both parts together. A hanger and a small loop from Satin ribbon sew on top and finally glue on the Wobbly eyes

Dear sewer, as fabrics are seasonal goods and we always want to have trendy fabrics in stock for you, it can happen that the sewn fabric is no longer in our range.

In our fabric section you will find a large selection of great fabrics. Click **here** to discover **all the fabrics**.
