

Instructions for window decorations with Window Color

Instructions No. 1221

Create great window pictures and glass decorations in no time with the help of this guide and the corresponding motif template. Decorate your windows again and again depending on the season or simply paint your personal favourite motif!

And it's that easy:

Which handicraft materials do I need for Windowcolor?

You need a motif template, an underlay (e.g. transparent cover), Windowcolor Contour Liner and Windowcolor colours.

How do I tinker Windowcolor?

Place your motif template under the transparent painting base. Then paint the contours with the Windowcolor Contour Liner and let it dry

Then paint the surfaces in the desired colours. After drying you can now remove your picture and decorate your windows with it.

Must Have

The image shows a product box for the KREUL Window Color Set "XXL". The box is light blue with a red ribbon around it. It features several colorful floral designs. Text on the box includes "KREUL", "WINDOW COLOR", and "Fenstermalerei". A yellow tag with "XXL Geschenk set" is attached to the ribbon. Below the box, there are small images of the paint bottles and a brush.
