Here's [how it works](#)

For the felt roses cut one or two-coloured Felt ribbon to the desired length. Wrap the Felt ribbon 3 - 4 times to a solid roll and sew it on with Perlon thread. Take the twisted roll in one hand and the Felt ribbon in the other. With the left hand turn the roll and with the right hand fold the longish Felt ribbon outwards into a triangle so that the long side falls down. Put your right thumb in the slant and lead this part upwards around the roll. Fix the Felt ribbon at the bottom of the bevel with the Perlon thread after each operation. Sew the end of the felt tape carefully with the nylon thread

Fasten the felt roses to the branch wreath with hot glue. Fill the gaps with the willow balls. Wrap the felt cord around the opposite side of the wreath of branches and fix the ends with hot glue. At the ends of the rose bouquet, make loops from the felt cord and also fix them with hot glue. Set small accents with the "Renaissance" beads. Glue a matching fabric onto the roof of the birdhouse with wood glue. Then glue the birdhouse with VBS Hobby Color painting. With the pink Satin ribbon tie a bow around the Jute ribbon of the birdhouse. Fasten the birdhouse to the branch wreath with the Perlon thread. With the pink Satin ribbon tie a loop through the wreath to hang it up later.
