Last Minute Halloween Ideas

Instructions No. 1530

Difficulty: Beginner

Working time: 45 Minutes

The right decoration is an important part of Halloween **.** The Halloween celebration on October 31st is therefore the ideal occasion to **make** something unique **yourself**. We **have** provided some scary last minute decorations for Halloween in this guide.

Mummy tealights

First cut two strips of approx. 0.5 m from the **modelling bandages** and cut the strips in half lengthwise. Soak the first section of modelling bandage and apply it immediately further. The modelling bandage is simply wrapped around one of the **tea light glasses**

Proceed with the rest of the **tealight glasses** in the same way. Allow to dry for at least 24 hours. Finally, attach **two** cotton wool balls **as** eyes to the glasses with **hot glue** and paint **a pupi Markerl** on them with a black

Concrete Ghosts

For the little scary concrete ghosts, first mix concrete in **an** old bucket according to the instructions on the packaging and pour out the stone moulds with it. Let the concrete mass dry for at least 24 hours

Now spray the concrete blocks with **white edding spray and** let the spray dry well as well. Finally, paint **creepy** faces on the concrete ghosts with a **black Marker**

Styrofoam spinning

For the spiders **Polystyrene balls painte Acrylic paintd** in different sizes with black **Tip:** To ensure that the paint covers particularly well, it is recommended to apply the paint in 2 layers. Let the paint dry well

Now halve **Chenille wire**bend feet out of the wire and insert the leg into the spider's body. Repeat this procedure for the remaining legs. Finally **Wobbly eyes** in different sizes glued to the spider
