

Luna Flower Column

Instructions No. 2721

Difficulty: Beginner 🍴🍴🍴🍴

Working time: 1 hour

Are you looking for a classic but also modern vase? With these beautiful instructions, you can easily customise a flower column from terracotta pots.

First dab the individual pots with Chalky Color. This creates a special surface structure.

Once everything has dried, paint the inside of the top pots with craft paint.

Once everything has dried on the inside, you can assemble the pots into towers of different heights and glue them together with craft glue no. 182.
