Instructions No. 2758

Difficulty: Beginner

Working time: 5 Hours

Are you still looking for a colourful money gift for a child's birthday? Then we have just the thing for you! Not only is it incredibly fun to make this colourful train, but the birthday child will also be very happy about it. The perfect gift!

Craft a colourful train

First cut off the tips of the VBS decorative fence with scissors and paint it with grey-brown craft paint. Paint the train in the VBS craft colours of your choice. Cut out the wheels of the train. There are no limits to the colours you can choose.

Use the sponge brush to press a coloured circle onto the wheels. You can also dab coloured dots onto the kraft paper matchboxes. Let the paint dry completely.

Then cut the motif photo card and glue it to a plywood board with VBS craft glue. Now fit the decorative fence to the length of the plywood board and attach it as train tracks, also using craft glue. Glue natural stones to the edges of the deco fence to make it look more realistic.

Finally, place the train on the tracks. You can now create an individual lettering from the letters and fix it with craft glue.
