Difficulty: Beginner

Working time: 10 Minutes

Are you looking for **Easter napkin clasps** that look extraordinary without having to be a professional folder at Napkins ? Then the wooden clip with the punching figure "chicken" is exactly the right thing for you!

Enjoy the great crafting fun with motif punching!

The **body of the** chicken is punched from a Craft Punch "circle" with Ø 7.5 cm. To give the chicken the oval shape, simply punch the circle a second time.

The **wings** are each made from a circle Ø 5 cm, again punched on one side with a toothed circle in 5 cm. Chicken claws are an excellent choice for the Craft Punch XXL snowflake (individual rays of the snowflake are each a chicken claw).

For the comb use **the** punch "Retro Flower", 2,5 cm The **eyes** of the chicken are cut by hand as circles of approx. Ø 1 cm from white Craft cardboard sheet (let Stencil help you). The **beak** is also cut out by hand. You can also use part of a 2.8 cm circle to make the beak. The red **crop** of the chicken is made from a 1.6 cm heart. Glue the chicken together, use a white Fineliners outline to accentuate the crafting. Simply draw the pupils of the eyes with a black pencil

Stick the finished chicken on a **clothespin** and clip it to Napkin .
