

# Natural gift box self designed

Instructions No. 2161

Difficulty: Beginner 🍃🍃🍃🍃

Working time: 20 Minutes

What could be more personal than a self-designed gift box - let this idea inspire you to create your own loving gift idea.

## Stamp instead of paint

The filigree flower motif is stamped on. Use a silicone stamp for stamping. This is placed on the acrylic block, positioned on the kraft paper gift bag.

## Punching instead of cutting

For the name tag, simply use punches. Label and paint the punched out label and also the kraft paper bag individually.

## Look forward to gift giving

Place your gift in the bag and close it with a jute cord, tie the name tag to the label. The gift in natural look will certainly be well received!
