Natural miniature world

Instructions No. 1822

Difficulty: Beginner

Working time: 20 Minutes

This natural miniature world is quickly made and is not for only Christmas but already in the autumn season a great eye-catcher.

Naturally beautiful

Quickly made

Basis for this handicraft idea is a wooden box**.VBS** First, some tree slices are glued on top of each other so that the birch branches **Dahlke** fit **under** the edge of the wooden box. They are also Handicraft glue fixed in the box

Arrange the **Christmas trees,** decorative branches **and** roe deer **into** a pretty miniature landscape and fix them in place. The landscape can be decorated with little stars. The lights are placed in the box on the floor and covered with moss. This can also be **fixed** with Handicraft glue or **hot glue**. Be happy about the beautiful decoration
