Nostalgic greeting cards

Instructions No. 870

This card set offers you the possibility to personalize greeting cards, gift tags and much more. Beautiful motifs can be found in the straw silks, which harmonise wonderfully with the self-adhesive lace. The current vintage look is perfect for this. Design your written greetings with these wonderful unique pieces.

And it's as simple as that:

Apply the desired motives with the Napkins-lacquer on the Craft cardboard sheet Cut the cardboard suitably for your desired card size and stick it with Handicraft glue on the card. Decorate the card with the self-adhesive lace and the Satin ribbon. To put the butterfly into the 3D Position after you have cut it out, simply fold it slightly in the middle and fix it with Handicraft glue on the motif of the card.

This idea is timelessly beautiful!
