Nutcracker clothespins

Instructions No. 2911

Difficulty: Advanced

Working time: 6 Hours

In this idea, practical clothes pegs are each painted with a nutcracker motif. Use them as decorative accessories for your Christmas gift wrapping made of kraft paper bags, for example. These are ideal for flat gifts such as vouchers or written messages.

Use our example as a template for painting the plain clothespins with paint. You can also draw your own design beforehand and then transfer it to the surfaces of the wooden pegs. Draw all the contours of the individual colored areas with a fineliners and paint them with handicraft paint. If necessary, draw the contours again neatly or place them on the handicraft paint (eyes, buttons). Fill the kraft paper bags and fold them diagonally backwards once. Trace the edges of the white gift tags. Stamp a message on the tags according to your personal taste or write on them and tie a cord-bow with jingles to the bag. Simply attach the gift tags to the bag with a small nutcracker clothespin. You can use the large painted clothespins as your own decoration or as a practical fastening aid.

MUCH LOVE
