Papercut Wood Rings

Instructions No. 2403

Difficulty: Beginner

Working time: 1 hour

We provide you with these **cute little birds** as a **free motif template to download** and print out. This way, the birds can be easily copied and designed in the colours that you like and that fit into your home. Let the birds flutter in your home too!

Design the wooden rings as follows:

Print out the **templates** and transfer them to your chosen **cardboard**. Cut out the birds and arrange the animals on the **rings** as you would like to glue them on later.

Cut the **round sticks** and glue on the letters and birds.

Now you can glue on the sticks and birds as you wish.

Your successful wall decoration is ready!
