Pappmaché-Katze XXL mit Décopatch

Instructions No. 286

This huge kitty cat offers plenty of space for decoration with décopatch and colour. With its almost 2 meters height it will be the highlight of your private petting zoo - just great!

Extra tip:

Stick

Décopatch papers

I first tear a supply of small pieces of-Paper each Décopatch and then take them up with the brush. This is the best way to place them and put them back together to form a closed surface.
