Instructions No. 2687

Difficulty: Beginner 🍷🍷🍷🍷

Working time: 4 Hours

Make a beautiful Advent calendar in trendy pastel shades for Christmas and give your loved ones a treat. You can design the advent calendar as you like and then fill it. In these instructions you will learn how to make the Advent calendar.

Create an Advent calendar in pastel

Start by designing the kraft paper bags and a wooden chest with craft paint. In our example, we chose three different pastel shades.

While the paint is drying, write a message on some gift tags with a marker and thread them onto a cord. Attach the whole thing to the chest as a garland with screw eyes.

Line the wooden chest with straw silk.

Decorate the paper bags with the Advent number stickers and set accents with the Gelly Roll.

Now you can fill the bags with small gifts or various treats. Close the bags with the clips and place them in the chest.
