With the VBS Pennants, decorating the home for the first day of school is very easy. You can create a great festive banner in your own colors in no time at all. Get inspired here!

This idea is a good example of how you can make something perfectly colorful with little effort and with the help of stencils. Each of the VBS Pennant is 16.5 cm long and 12 cm wide. The stencil used here has letter motifs, approx. 6 cm in size.

Each letter is stencilled as follows:

- Spray the back of the letter stencil with some spray adhesive.
- Place the stencil on a pennant and press it on.
- Add some paint to the paint palette and press the stippling brush into the paint.
- Then dab on the stencil.

- Remove the stencil from the pennant and leave the paint to dry.
- You should clean the paint residue from the used stencil immediately after use so that it is ready for the next use.

Stencil the individual pennants in this way until your lettering is finished.
Cut from ribbon to your desired length and attach the pennants to it using the clothespins.

Use the materials list for this idea or our online store to buy the materials and enjoy the crafting and preparation.
We wish you and your loved ones a wonderful first day at school!
