Sew hair band scrunchies

Instructions No. 1958

Difficulty: Beginner

Working time: 1 hour

Do hair quickly together? No problem with our stylish **hair bands.** These are quickly sewn and also **suitable** for **sewing beginners.** You don't need much fabric and can make many beautiful hair bands from different fabrics - one for every outfit.

This is how you sew the beautiful hair bands:

For each **hair tie** you need one **Fabric cut** of 40 x 10 cm. Fold it lengthwise right sides together, i.e. in a break, and sew the long side closed with a straight stitch. Now turn the resulting tube over. **Tip:** Use a chopstick, crochet hook or a helper Safety pin to turn the tube. Hook the Safety pin crochet hook into one end and turn the fabric tube with it

Cut 15 cm of **rubber band** from each scrunchie and pull one Safety pin into the fabric tube. Knot the ends well

Turn the ends of the tube inside out and sew them together by hand. If necessary, turn the cut edges inwards first.
