Sommerliches Windlicht mit Kirschen

Instructions No. 339

Every year we eagerly wait for the cherry season **.** With this creative handicraft idea you decide when it starts. The large Wind light is decorated with red **cherries from Acrylic balls** and will surely shine for you on many balmy summer evenings. With our instructions you can easily recreate it. **So the summer never ends**.

I need that:

- glass-Wind light with base, Ø 13 x H 20 cm
- Straw wreath, Ø 20 cm
- 2 x Easy Felt Wool in aniseed
- Wash+Felt-it! in Olive
- 8 x Acrylic ball, Ø 4 cm
- Frost-Effect paint
- Straw silk paper in Red
- Napkin varnish, glossy
- Bow tie set "Emma" in Red
- Embellishment "Flower Power"
- scissors, Paint sponge, napkin brush, pricker, tape-Ribbon, hot glue

And it's that easy:

Twist two strands of light green **Knit felting woolaround each other** and **wrap** around the straw wreath.
Tear the Straw silk paper into pieces and stick them with Napkin varnish on the Acrylic-balls and the suspensions. After drying, prick the eye with the pricker needle.
For each **"pair of cherries" lay a strand of** olive green **Knit felting wooltwice** and knot at the top, tie a bow from both ends and knot the ends to the balls
Dab **frost paint** on the glass lantern and put it in the cold oven after drying. Heat up to 160°C and bake for 30 minutes, then let it cool down in the oven.
Knit felting wool, check ribbon and lace with tape-Ribbon around the Wind light , fix cherries and flowers on the wreath and Wind light with hot glue.
