Spring door wreath

Instructions No. 2191

Difficulty: Beginner

Working time: 30 Minutes

Decorate your home with this door wreath in the spring and Easter season. Enjoy the DIY!

This welcome greeting for spring and Easter is quickly self-made

The willow wreath with its natural look is the perfect basis for your new wreath. You don't need much material to decorate only .

Arrange tulips, gypsophila and blueberry branches on the wreath according to your personal taste. Fix everything with hot glue.

Take a sufficiently long piece of ribbon and attach it to the wreath as a hanging ribbon.

We hope you enjoy your new decoration!
