Stuhl im weihnachtlichen Zpagetti-Look

Instructions No. 445

Super-trendy and great to work with: With the latest textile yarn you can knit fantastic home accessories in a short time. In just a few hours, a chair can be transformed into a Christmas design piece of furniture. The textile yarn is unfortunately out of stock. As an alternative to the textile yarn, this idea can be re-knitted with wool by knitting with several threads

Instructions

Chair cushion (approx. 36 x 36 cm):
cast on 22 stitches + 2 edge stitches.
Smoothly knit right (back row right stitches, back row left stitches) up to the square, then cast off loosely and stitch the threads. Work the second square identically, crochet both pieces white with firm stitches, crochet 3 firm stitches in the corners. Crochet both pieces together with red Zpagetti, crochet 3 more stitches in the corners.
Before closing the fourth side, pad the cushion with cotton wool.

Cover (approx. 40 cm wide):
Cast on 29 stitches + 2 edge stitches. Smooth right hand knit: 8 rows white, 28 rows red, then remove 1 stitch on both sides in every 4th row. Knit the second half identically, prick threads and sew the two pieces together with mattress stitch. Wrap a large white pompon, tie it up with strong cotton thread and sew it to the covers. Upholster the tip with some filling cotton wool and pull the covers over the back of the chair.

Boots:
Cast on 22 stitches + 2 edge stitches. Smooth right hand knit: 2 rows grey, 6 rows red, then cast off 6 stitches on both sides. Continue knitting over the remaining stitches until 18 rows red are reached, then 4 rows white. First sew together the sole, then

the boot from bottom to top.

Tip: Stuff the boot with filling cotton before sewing the upper
Finally, sew on the lacing and pull the boots over the chair legs.
