Stylish braided pattern in natural look

Instructions No. 2650

Difficulty: Advanced

Working time: 10 Hours

You may need a little longer to recreate this great mural with Paper Straps. However, the weaving of the pretty pattern is very relaxing and the result can finally be seen!

Wickerwork from their own workshop

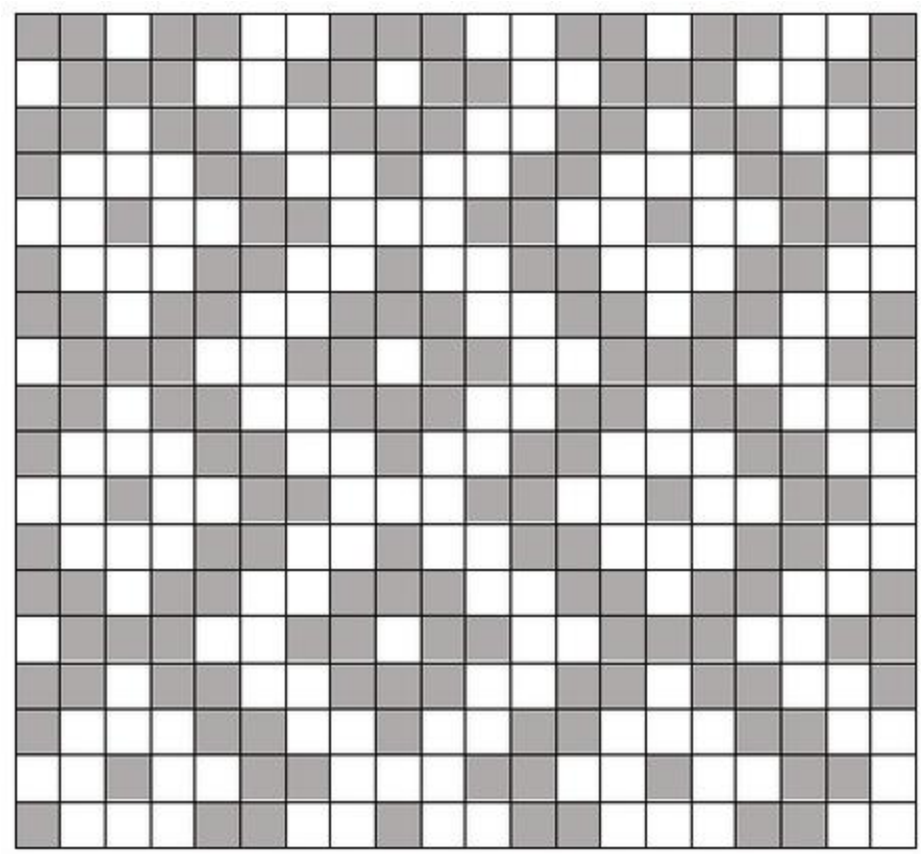

Cut 18 strips of each colour, 40 cm each, and divide them in half the width.

Lay the black ribbons close together vertically and fix them with tape on your craft mat.

Now weave in the beige ribbons according to the sketch. To create a tight weave, fix your weave with craft glue at individual points while you are working.

Then cut off the excess ribbons so that you have a piece of 30 x 30 cm.

Paint the picture frame with white paint and glue your woven picture into it with craft glue.
